Guest speaker Eva Khadjinova, from Alaska Legal Services, will identify issues faced by caregivers who are concerned about their loved one's care, when caring for them at home is no longer possible.

We will explore answers to questions such as: When should we start considering our options? Who can help? When do we need a lawyer? How and when do we pursue a Medicaid Waiver? What are our options if we have too many assets? Please join us for this very important discussion.
