[CLICK HERE TO REGISTER](#)

Free to attend! Registration required.

– OR –

Wasilla – In-Person Class

Wednesday, October 5

1:00 PM - 2:30 PM

Free to attend! No registration required.

The GEMS®, developed by acclaimed dementia educator Teepa Snow, is a dementia model that focuses on an individual's uniqueness and capabilities, rather than on their memory loss. The GEMS® model recognizes the dynamic nature of the human brain and its abilities.

Join us to discover how to use this knowledge to improve everyday living, care tasks, and communications. People, like gemstones, are precious and unique—Owith the right care and setting they can shine!
