Free to attend! Registration required.

Creating Dementia-Friendly living spaces at home and in the community!

Learn simple home modifications and practical tips that can reduce accidents for older adults and people living with dementia. The kitchen, bathroom, stairs, medications, and wandering are all common safety concerns and will be addressed with helpful strategies to make caregiving a little easier and safer. We will also be identifying warning signs and potential risk factors in the community and how to handle these in a respectful way.
