**Wasilla – In-Person Class**

**Monday, November 13**

1:00 PM - 2:30 PM

*Free to attend! No registration required.*

Vascular dementia is widely considered the second most common cause of dementia after Alzheimer's disease. This class will focus on the common symptoms, diagnosis, causes and risk factors associated with vascular dementia.

Join us to learn ways to help reduce your risk for this type of dementia and how to support a person living with vascular dementia.
