A person living with dementia's ability to make simple and complex decisions declines as the disease progresses, meaning that family members often become the decision makers. Making decisions for a person living with dementia often presents difficult challenges, and can be emotional and overwhelming for family caregivers.

Join us to learn about the various options for becoming a legal decision maker, as well as approaches that may be useful when faced with making decisions for a family member.

*Free to attend! Registration required. Share with friends and colleagues.*
