Free Legal Consultations for Alaska Caregivers

As dementia progresses, a person often needs more care and oversight than can safely be provided at home. What are your options and how do you plan ahead for this possibility?

Alaska Legal Services Corporation (ALSC) is partnering with Alzheimer's Resource of Alaska to offer free 30-minute consultations. Meet by telephone with an ALSC attorney to better understand your legal needs, ask questions about specific legal topics, discover available options, and find the right resources to help.

Free 30-minute, telephone consultations
Monthly on the 2nd Tuesday, between 10 am and 12:30 pm
